MACC

The MACC is happy to announce we will be offering drop-in care for ALL student-athletes during the 2020-2021 scholastic/fall sports season.

Our schedule will include opportunities such as Dry Land Sport Specific Training, On-Ice Skills, and engaging movement activity breaks for all. This program will operate as a Hybrid-Learning Center, giving students access to on-site proctors in an educational focused environment.

The MACC is in the process of transforming its plentiful space into COVID- friendly classrooms. Each of these opportunities will be available within the same building, giving parents/guardians a safe and structured academic and athletic schedule to rely on during work hours.

Whether your child is a hockey player, cheerleader, football player, figure skater, diverse athlete, or a student who wants to join a healthy learning environment, the MACC academy is the place for them to strive!

PROCEDURES:

Students will need to contact Senior Manager Brendan Flanagan (bflanagan@midstateacc.org) for the days and approximate time they will be dropped off/picked up.

Students will be assigned a designated classroom prior to arrival at the facility (based on birth year). Upon arrival at the facility students will check in at the front desk where they will have their temperatures checked and sign into their classrooms. Our virtual learning spaces will be set up in a social distancing manner where student athletes will have their own work space for the given day distanced 6 feet apart from their peers.

Masks will be required at all times throughout the facility except when sitting at their designated work spaces for the day or while training on ice/off ice. These work spaces will be disinfected at the conclusion of the day for the following days students to come into a clean safe environment.

PROCTORS:

Our classroom proctors have experience as teachers, tutors, and as coaches. We feel we have an advantage offering a productive learning environment over other alternatives, as our proctors can relate to our students as well as act as positive role models who have succeeded as student athletes in the University setting.

Connor Preston

4 year counselor at NYSAHA 14's camp
Mentor/TA at Ed Smith School
Syracuse Policy Studies and Business major in the
College of Arts and Sciences, with a minor in
business at Syracuse University
ACHA D1 Syracuse Men's Hockey Team 2017-2020
Awarded CVAC 1st Team All-Star
Weston Lea award.

PROCTORS:

**Taylor
Cianfarano**

Graduated from Quinnipiac University (Dean's List) in 2018 with her Bachelors in Science, went on to Graduate from Clarkson with her Masters of Business Administration in 2019. Taylor currently serves as Midstate's Manager of Athletics Diversity & Development.

Assisting with on ice coaching will be Head Coach Taylor Cianfarano, an all-star at Quinnipiac playing in 111 career games with the Bobcats from 2014-18. Graduated from Quinnipiac as one of the Bobcats' all-time leading scorers, averaging nearly a point per game with 58 goals and 52 assists. Named 2016 ECAC Hockey Player of the Year as a sophomore. Had one of the best year's in Quinnipiac's history in 2015-16 with 28 goals and 24 assists for 52 points. As a 5th year she attended Clarkson University to finish her MBA where she recorded 34 points with 18 goals and 16 assists. She tied for team lead in power-play markers and also netted four game-winners, tallying points in 21 games, including nine multiple-point outings. In her final season at Clarkson she helped the Knights reach the Frozen Four.

Off Ice Movement Activity:

\$10 per day.

All off-ice movement activities will take place in the gymnasium with the option of using our shooting room. Equipment will be supplied.

ON ICE PACKAGE:

\$20.00 per session. All on ice sessions will include a 45 min slot. On ice conductors will be Connor Preston & Taylar Cianfarano

PACKAGES:

Our drop in hybrid learning will cost \$40 per day per student or \$25 a day per student for siblings. Training will be optional and available throughout the hybrid learning schedule as an additional cost, to allow student athletes a physical outlet. Not only will these sessions serve as a healthy movement break, but your athlete will be able to utilize the professional level development we offer from our training staff. These session times are TBD based on need and finalization of schools hybrid learning schedules. There will be one on ice session (Hockey) and one dry land session (all athletes) available per day. These will be scheduled in blocks throughout the day allowing each student the ability to attend one session each based on their given schedule. Our schedule will be flexible and ever evolving to the schedules of our student athletes/demands. This will allow us to construct ideal productivity throughout the day as well as utilize all of our resources we have to offer.

Additional Costs Include:

On-Ice & Movement Activity

Payment Options:

- Day-To-Day-Pay (Each day you come in)

Payment Methods: Check, Cash & Card

WHAT TO BRING:

Bag lunch

- At least (2) face masks that cover the child's nose and mouth – 1 to wear, and 1 as a backup – both labeled with child's name.

- A device (laptop, tablet, headphones etc.) to complete schoolwork and anything else your child needs.

- Reusable water bottle labeled with child's name.

- Any necessary medications that the child can self-administer, and/or Epipen in the case of allergies.

- Sneakers

- Wear something comfortable

- While not required, your child may also like to have a sweater or light jacket.
